We are very grateful to Ebenezer Baptist Church for including our graduation ceremony in their Sunday morning service, and the wonderful food prepared by their members afterwards. It was an awesome time of celebration for the great things God has done in the lives of these women.

In 2018, I was certified as a site coordinator for Christian Women's Job Corps. I have received certification and prophetic counseling by Kingdom Life University and am presently working towards a certification in post-abortion ministry. I look forward to receiving a Life Coaching certification in June. I hope to use these to minister to other women with similar backgrounds.
